課程概述 Course Descriptions	This one-semester course helps students build confidence and ability in English speaking and listening through practical, collaborative activities. Students will work on group projects such as dubbing, making a podcast, and peer teaching. They will explore current and relevant topics, such as social challenges and the SDGs, to develop their skills in expressing ideas and interacting in English.		
學習目標 Learning Objectives	By the end of the course, students will demonstrate greater confidence in using English in real-world situations. Through collaborative projects, they will also develop key 21st-century skills such as critical thinking, communication, collaboration, and self-directed learning. The course will help students gain experience engaging with current social and global topics in a meaningful way.
