

The Chinese Economy Master Program Syllabus

2025 Fall

Instructor: Puman Ouyang, Email: pouyang@ccu.edu.tw
Lecture: Wednesday (9:10-12:00)
Classroom: 322, College of Management
Office hour: by appointment

Course Description

This course aims to provide students with knowledge about the Chinese economy since the foundation of P.R.C. It helps students comprehensively understand the historical and current status of major aspects of the Chinese economy.

Course Requirements

Please pay close attention to the class schedule. You must read the material prior to the class meeting and be able to discuss the material with the class. We cover a lot of material and students who fall behind will be greatly disadvantaged. You should also read about current events in the Chinese economy throughout the semester.

Reading Supplements

Academic papers [TBD]
