相關訊息 Additional Information	<p>Attendance and participation: Your consistent participation in class sessions is the most critical component of a successful course. You are expected to come to each class prepared and ready to participate in class activities. <u>Each student is allowed two absences without penalty. Any additional absences, whether excused or unexcused, will lower your final grade by 5 points.</u> Repeated tardiness disrupts class discussion and will negatively affect your participation grade.</p> <p>Quizzes and Exams: There will be brief reading quizzes, a midterm exam, and a final exam. Quizzes comprise a few straightforward questions that test whether you have done the assigned reading. The goal is to keep you on track with the course reading. Exams will include multiple choice, identification, short answer, and essay questions.</p> <p>Classroom etiquette: The foundation of our learning environment is built on respect. It's crucial that you familiarize yourself with basic classroom etiquette and take responsibility for your actions as a college student. Your adherence to these guidelines will contribute to a positive and respectful classroom atmosphere for all of us.</p> <p>Academic integrity: Academic integrity is a cornerstone of educational and scholarly activity. Cheating and plagiarism, which involves using someone else's ideas, words, or work without proper acknowledgment, will be treated as a severe offense and penalized.</p>		

The weekly schedule will be updated as the semester approaches.
