助教 Teaching Assistant		助教 Email TA's Email	
先修科目或先備能力 Prerequisites	English Listening & Speaking I, II, III		
課程概述 Course Descriptions & 學習目標 Learning Objectives	This course is included in the "Global Leadership and Sustainable Development" Program (全球領導及永續發展跨領域全英語學分學程), organized by the College of Law (法學院). It aims to enhance students' English listening and speaking abilities from the intermediate to upper intermediate/advanced level(s) through a variety of aural-oral trainings. As well as strengthening students' presentation skills, the course will be consistently set in the context of symposium or forum to discuss issues related to our daily life both domestically and abroad. Thus, it is expected that students can stay alert to news events and get familiar with relevant news lexicon, and that they can be actively engaged in class discussion. With equal focus on American and British English, the course targets at long lectures to orient students with more authentic and professional English settings and to comprehend topic issues for critical discussion.		
課程要求 Course Requirements	1. Students are required to attend the class regularly and are encouraged to participate in class discussion. 2. **Attendance policy:** ■ Proof of leave must be submitted via the Student Leave Management System (學生請假系統) on the University's single sign-on portal (單一入口). **Email leave notices are not accepted.** ■ The course **allows four leaves, regardless of any reason. Two points** will be deducted from **the final grade** for each session of absence **without online leave submission within one week after the absence.** ■ **Four points** will be deducted **from the final grade starting with the fifth absence.** ■ **Two instances of being 15 minutes late will be counted as one absence.** ■ All leave regulations are effective from the first week of the term. If, for any reason, you cannot attend the class for the first two weeks since the term begins, you are strongly advised to withdraw from the course.		

	3. **To ensure fairness, no makeups will be allowed for exams, individual talks, and group presentations.** 4. **Cheating in exams will result in a zero.** 5. **Please be aware of academic ethics and the proper use of AI tools. Direct copying and pasting from generative AI for any assessment is not allowed.**
