COURSE DESCRIPTION

This is the second part of the forum on the Minimalist syntax. The first part has been offered in the previous semester. The participants are the PhD students who have taken the first part of forum. They need to have basic training of generative syntax. We read and discuss important works related to the ongoing research of the participants. Participants are encouraged to attend and present research in local and international workshops or conferences. Dry run for the conference presentation is arranged in the class. They are also encouraged to attend formal syntax and semantics talks in other universities in Taiwan.
