課程介紹與教學目標 Course Description and Objectives
<p>This class cultivates students' writing ability by reading exemplary modern samples and by writing essays. Students are required to do close reading and to write a composition every week. Another requirement is a 5-8 minute long presentation expanded from students' writing or derived from one of our readings. This should be delivered as a formal speech – using PowerPoint to help is optional.</p> <p>We will also view a film <i>Roman Holiday</i> along with its script, to enhance students' ability to use colloquial language.</p> <p>Grades are based on attendance & participation (50%), writings (30%), and presentation (20%). Our textbook is <i>Refining Composition Skills: Academic Writing and Grammar</i> (6th Ed.)</p>
