其他說明 Other description	<ul style="list-style-type: none"> ● “Intermediate Microeconomics: A Modern Approach” (9th edition) by H. Varian (2014) is the only required text for this course. Students may find “Microeconomics” by J. Perloff a helpful supplement. ● There will be two midterm exams and one final exam. The exams are not cumulative. ● We will use “Kahoot” in the class, so please download it on your cell phone. ● Problem sets will generally be assigned every week. You have to turn in the problem sets by the beginning of each class. ● The participation score is determined by your attendance and performance in the class. You need to send me an e-mail to explain your absence in advance (by the beginning of the class). ● This syllabus is tentative and is subject to change based on the need of the course.
